Feels Like a New Woman

"I was suffering from kidney trouble for several years," writes Mrs. Arthur Demille, R. F. D. 1, Grassm, N. H., "and suffered so much I felt completely lame all over. Since I have been taking Foley Kidney Pills I am not so lame. My back ached all the time and my eyes were all a blur. Now I can see fine and feel like a different woman. Since I have taken two bottles of Foley Kidney Pills I don't have that tired feeling. I can do my own work now." They bring quick results.—Advertisement.

Obituary of C. M. Libby of South Ryegate

In the hearts of South Ryegate citizens rests the memory of one who for many years had lived among them, a clean and respectable life, whose interests in public life and good citizenship was supreme.

Coming to this community 29 years ago, Charles M. Libby entered the employ of the Montpelier and Wells River Railroad as station agent. In that capacity he served the public for ten years; after which he continued his coal and wood business, and which he successfully operated until compelled to give up the duties of his business because of sickness which resulted in his death on April 15.

Mr. Libby was born in Lowell, Mass., 55 years ago where his boyhood days were enjoyed in the graded and the high schools. He became a successful and popular student at Oberlin, Ohio Preparatory School at the age of 21. While at Oberlin Mr. Libby became active in church work, establishing a reputation worthy of mention. Upon completion of his studies at Oberlin school he became a traveling salesman for the National Cash Register Co. remaining in their employ until he came to South Ryegate in the year 1892.

Mr. Libby was prominent in Masonic circles, being a member of Pulaski lodge No. 18, F and A. M., Caledonia Council, Eastern Commandery, also a member of the Scottish Rite Bodies at Burlington and a member of Mount Sinai Temple, also a member of the Modern Woodmen of America.

Mr. Libby was very active in the formation of the Blue Mountain Telephone Co. and was an officer in this company and in the Vermont and New Hampshire Telephone Co. for a number of years.

On January 12, 1892, he became united in marriage to Sonoma M. Bailey, who survives him. He also leaves one brother, J. C. E. Libby of Portland, Maine, a cousin, Mrs. Ida Farrington of Lowell, Mass.

The funeral of the late C. M. Libby was held at his home on Monday, April 17, and was largely attended by relatives and friends. Representatives of Masonic bodies from Wells River and St. Johnsbury were present. Burial was in the family lot in the cemetery at South Ryegate, Vt.

The services were conducted by Rev. W. T. Bailey assisted by Dr. Garvin.

BIG ULCER ALL HEALED

"Here is another letter that makes one happy," says Peterson, of Buffalo. "One that I would rather have than a thousand dollars."

"Money isn't everything in this world. There is many a big-hearted, rich man who would give all he has on earth to be able to produce a remedy with such mighty healing power as Peterson's Ointment, to sell at all druggists for 60 cents a large box."

"Dear Sirs—
"I was an untold sufferer from old running sores and ulcers. I had tried most everything without any relief from pain. A friend told me of your wonderful ointment and the first box took away the pain that had not left me before in years, and after using just nine dollars' worth of the salve I am cured. The ulcer was 9 inches by 6 1-2 inches, is all healed and I can walk. Never, never will be I without Peterson's again.
"You may use this to recommend your ointment, if you wish. I cannot say enough to praise it." Yours truly, Mrs. Albert Southcott, Lyndonville, N. Y. Mail order filled by Peterson Ointment Co., Inc., Buffalo, N. Y.—Advertisement.
